

# small-caps - page 1 - SMALL CAPS

write CAPITAL letterforms but small - about dashed-line height, sitting on the solid line - write each character 3x, then FILL IN the circle above every version you like - versions left unfilled are discarded

|                                   |                                   |                                   |
|-----------------------------------|-----------------------------------|-----------------------------------|
| <input type="radio"/> A small cap | <input type="radio"/> B small cap | <input type="radio"/> C small cap |
| <input type="radio"/> D small cap | <input type="radio"/> E small cap | <input type="radio"/> F small cap |
| <input type="radio"/> G small cap | <input type="radio"/> H small cap | <input type="radio"/> I small cap |
| <input type="radio"/> J small cap | <input type="radio"/> K small cap | <input type="radio"/> L small cap |
| <input type="radio"/> M small cap | <input type="radio"/> N small cap | <input type="radio"/> O small cap |
| <input type="radio"/> P small cap | <input type="radio"/> Q small cap | <input type="radio"/> R small cap |
| <input type="radio"/> S small cap | <input type="radio"/> T small cap | <input type="radio"/> U small cap |
