

# READ ME FIRST - how to fill the sheets (do not scan this page)

EVERY CHARACTER GETS 3 BOXES - TICK THE KEEPERS

## THE RULES

- write the character in all THREE boxes - vary naturally, don't trace-copy
- then TICK the circle above every version you actually like
- 1st ticked version = the letter in your font
- 2nd & 3rd ticked = rotating alternates (repeats won't look cloned)
- no tick on a version = it is thrown away - a botched box costs nothing
- no tick on ANY of the three = all non-empty boxes get used

## TICKING

- keep the tick INSIDE the circle - a stray tick inside the box would become part of the letter

UP-DOWN: the solid line is the floor, the dashed line is the body height

LEFT-RIGHT: anywhere in the box is fine

- keep the character roughly centered, with a little air on both sides
- exact left-right position does NOT matter - letter spacing is measured from the ink itself, not from the box
- never touch the gray border: ink on the border gets cut off
- width is free: a wide m and a narrow i are both fine

# How to draw the tricky ones (do not scan this page)

DIACRITICS - accents live above the body; they may go higher than the dashed line

háček above the body

caron beside the stem

accent replaces the dot

ring on top

capital + accent: squeeze up top

ogonek hangs below the line

stroke through the stem

PUNCTUATION & SYMBOLS - draw them where they sit when you write a sentence

on the solid, tail below

quotes float up high

low quote: on the solid line

full height

like a capital

middle of the box

draw it big, centered

LIGATURES - write the PAIR as one joined movement, no pen lift if you can

joined th

joined fi

## GOLDEN RULES

- the BIG character above the first box (with its name, e.g. "ě e + háček") tells you what the three boxes want
- one pen for everything - Light & Bold are computed later
- empty boxes = character skipped, that's OK

## BEFORE YOU START

- natural speed beats careful hesitation
- print at 100% / actual size - never "fit to page"

english - page 1 - a-z + A-Z (1/3)

write each character 3x, then TICK the circle above every version you like - unticked versions are discarded
